

# STATE OF MINNESOTA

## Office of Governor Tim Pawlenty

130 State Capitol ♦ 75 Rev. Dr. Martin Luther King Jr. Boulevard ♦ Saint Paul, MN 55155

October 15, 2005

Dear Paul Revere Cooperative Residents:

Greetings! On behalf of all the people of Minnesota, I want to tell you this is not only a great day for you but for all of Minnesota. The first Paul Revere came with a warning. You, the new owners of the Paul Revere community, come with a promise of great new housing options for thousands of Minnesotans. You are trend-setters in a state that already leads the nation in homeownership.

Housing is fundamental to everything important in our society: community, stability, public safety and economic growth. It's very exciting to witness this new emerging model of resident ownership of manufactured home parks, creating opportunities for sustainable and affordable homeownership for low and moderate-income Minnesotans.

I know it took a lot of work and organizing to get to this day. But you have not only improved your own lives but given other Minnesotans a path to follow.

Congratulations and thank you for making Minnesota a better state!

Sincerely,

A handwritten signature in blue ink, appearing to read "T. Pawlenty".
